Friends and family, Tamara with Foxtail Quilting is a master of her craft. The work she did on our girls quilts is hands down the most high quality work that I have ever seen. Thank you Tamara for making this Christmas special for Luecken family. Each time we looked at the quilts, lots of memories came flooding back.

A five star rating to Foxtail Quilting. The teeshirt quilt is perfect, thanks to Tamara Bobbitt's talent and eye for design. She emailed me pictures during the whole process, which was fun to see. I could make any suggestions if I decided to change anything. You will not be disappointed.

It was a joy and pleasure working with Foxtail Quilting. We got our quilt last week. The workmanship is beautiful. It will be a treasure for many years to come reminding us of all the fun dance team times. I plan to have one made for my son after he graduates in a year.

I contacted Tamara Bobbitt to do the long arm machine quilting for my fan pattern quilt. She very successfully combined my ideas and suggestions of her own for the quilting patterns. The stitching patterns she used are beautiful compliments to the fan quilt. This lady is an artist! Her creativity and love of quilting prove that. When the quilt came back I was thrilled and amazed by her work. There's no doubt in my mind that she will be the one I will request to do long arm machine quilting for my future projects.

We have known Tamara for about 2 years. After meeting her in a fabric store, we quickly became fast friends!! These 2 quilts were among the first projects she has quilted for us, but I can assure you it won't be the last. Loved working with Tamara! She helped us pick a pattern that would compliment our quilt top! Quick turn around time, setup to finished in 2 days for a queen size quilt! So pleasant and easy to work with!! Great "quilty" quality!! We will definitely be doing business with Tamara again in the future!

I wanted a special Christmas gift for my daughter since it was her first year away at college. I finally decided to have a T-shirt quilted throw made that she could take back to college with her. I was amazed at how beautiful the throw turned out with my daughter's old high school t-shirts. Tamara did such a wonderful job. She included me in the entire process of making the throw; from the initial layout of the shirts for the throw, picking the material to use for the back of the throw, to what color of thread I wanted to use to sew the throw. Once it was completed, it was so beautiful! The quality of Tamara's work far exceeded her price. Needless to say, my daughter LOVED her personalized Christmas gift. We had so much fun seeing each T-shirt anew and remembering what was so special about that time in her life. Thank you Tamara for helping to create more special memories for me and my family!

Ok everyone ~ I am the parent of this quilt and it is fabulous ~ Tami did an amazing job on this life long treasure. It is king size and was her first double sided quilt. My son is very happy with it. Working with Tami on this project was great. She kept me up to date on her progress and she let me help in arranging the blocks so that it was perfect for us. I will and would recommend her to all my friends ~
THANK YOU TAMARA!!
